

TAMWILCOM unveils the new reception area at its Rabat Business Center

Rabat, Friday, February 6, 2026 – TAMWILCOM officially inaugurated the new reception area of its Rabat Business Center during an event held on Thursday, February 5, bringing together its banking and institutional partners from the Rabat-Salé-Kénitra region.

Designed as a dedicated space for welcoming visitors, fostering dialogue, and encouraging collaboration, this new environment reflects TAMWILCOM's commitment to strengthening its proximity to the regional ecosystem and enhancing interactions with its partners.

This initiative is fully aligned with TAMWILCOM's regionalization strategy, which is built on an expanded territorial network comprising 10 regional Business Centers deployed across the Kingdom, serving as local hubs dedicated to supporting partners and ensuring close engagement.

Through the launch of this new reception area, TAMWILCOM reaffirms its ambition to position the Rabat Business Center as a true regional hub, providing efficient, coordinated, and proximity-based support, while contributing sustainably to regional economic development and the growth of micro, small, and medium-sized enterprises (MSMEs).
